DISCOVERY CAMP WINTER 2024

The Globe (Global Bound and Exchange) : Discover Indonesia
Surabaya-East Java, Semarang-Central Java, Riau- Sumatra, Makassar-South Sulawesi

UMAP

OVERVIEW

UMAP Discovery Camp 2024: The Globe (Global Bound & Exchange) Discover Indonesia is a joint program collaboration between Institut Teknologi Sepuluh Nopember (ITS), Universitas Semarang, Universitas Islam Riau, and Institut Teknologi & bisnis nobel Indonesia. The program will be held on 17-29 February 2024 in Indonesia (Surabaya-East Java, Semarang-Central Java, Riau-Sumatra, Makassar-South Sulawesi). The program aims to facilitate the learning and understanding of SDGs implementation in several areas in Indonesia. Within the program, the participants will be able to explore the SDGs implementation particularly about SDGs 1, 2, 4, 8, 12, 13 and 15 in ITS, Surabaya as host university on 17-23 Februari 2024. After that, on February 24-29, prgram will be continued with the next 3 co-hosts. Not only learning in classroom settings, activities in host universities also include site visit, sharing and discussion with local government and NPO about the initiatives towards aforementioned SDGs.

UMAP Discovery Camp Winter 2024: The Globe (Global Bound & Exchange): Discover Indonesia - Program Details

General Information	Institution	Institut Teknologi Sepuluh Nopember (/Institution/InstitutionDetails/309)
	Program C and Virtual Program Status	Open
Program Information	Program Name	UMAP Discovery Camp Winter 2024: The Globe (Global Bound & Exchange): Discover Indonesia
	Program Type	Program C
	Program Description	UMAP Discovery Camp Winter 2024 will be held in Indonesia on February 17th – February 29th, 2024 hosted by Institut Teknologi Sepuluh Nopember (ITS), Universitas Semarang, Universitas Islam Riau, and Institut Teknologi dan Bisnis Nobel Indonesia. The program will take place in Surabaya-East Java, Semarang-Central Java, Riau-Sumatra, Makassar-South Sulawesi. The program aims to facilitate the learning and understanding of SDG implementation in several areas in Indonesia. Within the program, the participants will be able to explore the SDGs implementation particularly about SDGs 1, 2, 4, 8, 12, 13 and 15 in ITS, Surabaya as host university on 17-23 February 2024. Not only learning in classroom settings, activities in host universities also include site visit, sharing and discussion with local government and NPO about the initiatives towards aforementioned SDGs. The main and the first host of this program would be ITS who will lead the pre-onsite program by zoom and become the host of the first week of the program. In addition to that, participants will get the opportunity to know more about SDGs implementation in co-host institutions including Universitas Semarang, Universitas Islam Riau, and Institut Teknologi dan Bisnis Nobel Indonesia in Makassar in the second week of the program. Between 24-29 February 2024, the participants will be divided into several groups and dispatched to the co-host institutions. Activities in co-host universities will broaden participant's insight about the SDGs implementation and challenges in different areas in Indonesia. At the end of the program, participants are expected to gain a comprehensive understanding of the SDGs, develop practical skills for their implementation, and build a network of like-minded individuals and organizations committed to sustainable development in Indonesia. The program aims to contribute to the overall progress of SDG implementation in the country, and fostering positive change.
